MUSIC AT ZION

Music is an integral and vital part of the life and worship experience at Zion Lutheran Church. A long and rich history of strong programs in music and the arts has developed a deep appreciation within the congregation for understanding the power of music as a unique and passionate language for shared expressions of faith, thanksgiving and praise.

Zion's Sanctuary houses a beautiful 3 manual, 38 rank Holtkamp organ and a 9 ft. Steinway concert grand piano. Our 5 p.m., 8 & 9 a.m. worship services incorporate a variety of liturgical settings and hymns from the Evangelical Lutheran Worship hymnal (ELW) as well as from other sources. The blended 11 a.m. service is led by a Worship Team. The music at this service is more contemporary in nature.

music opportunities

Zion Lutheran is blessed to have many talented musicians among its members, and worship services provide a wonderful opportunity for many to share their time and talents. Our worship is greatly enhanced by many types of ensembles - duets, family groups, small ensembles, and ad hoc choirs as well as solo musicians. Please consider how you may be able to be involved in special music. For more information contact Jonathan Campbell, Director of Music and Worship jcampbell@zionanoka.org.
